NURSERY

- Child care for infants and toddlers is provided in the nursery, near the west door of the sanctuary. We invite parents with small children to sit in the front pews on that side.

FOR YOUR SAFETY

- We want to make New St. James a safe and welcoming place for all who come here. Our Church School staff have all received Police Records Checks and training in safety procedures.
- To protect people with nut allergies, our goal is to make New St. James a nut-free facility. Please do not bring nuts of any kind, or anything containing nut products such as peanut butter, into the building. However, we cannot guarantee that cookies served during the fellowship time may not have come in contact with nuts.
- Gluten-free cookies are available during the fellowship time.
- To protect people who are sensitive or allergic to scent, we want to make New St. James scent-free. Please keep this in mind when applying perfume and aftershaves.
- For reasons of personal safety, the front row of the balcony has been closed off.

For those persons who have not been contacted already by email, 2016-2017 schedules for Scripture Readers, Hall Shepherds and Welcome Teams have been placed in your mail slot.

Lemonade Time! Lemonade and cookies are served after the summer worship services. We are looking for hosts for one or more Sundays from July until the first week of September. The sign-up list is in the downstairs kitchen. Thank you for your help.

“2016 is the year that NSJ volunteers must renew their PVSC (Police Vulnerable Sector Checks). There is a list posted on the bulletin board by the church office with all those that require a PVSC. There is also an information sheet for completing this on line as preferred by London Police Services. The Leading With Care committee would like to have all checks completed by September if at all possible. If you have any questions, please contact one of the committee members. Thanks you for your co-operation.”

YULETIDE BAZAAR AND BREAKFAST

Saturday, November 19

Women's Council will be holding its biennial Bazaar and Breakfast this fall. Half of the proceeds from this sale will be donated to the ongoing fundraising efforts to balance the budget. What is needed? Preserves (make us a batch while you are making yours), donations for the silent auction, crafts, jars (pint and half pint - please put in the lower kitchen), donations of jewellery, donations of deli foods, baking when we are at Bazaar time, donations for the treasure table and last but certainly not least we need your help. Help by donating but also help by being available to set up, to help with the breakfast and to help sell our merchandise. For any further information, please call Karen Buchwald.

Pastoral Care: Please let the church know of illnesses, hospitalizations, births, deaths, and confidential prayer requests, by calling the office at 519-434-1127. Please contact Mary Lou McCrimmon to activate the prayer chain.

FOOD CUPBOARD

Please consider donating soups, canned vegetables, tuna, cereals, diapers, women's sanitary supplies, toiletries, and 250, 500, 750 ml plastic containers to St. Paul's Daily Bread Program. Baskets are located at all entrances.

Mark your diary now for this year's NSJ@Kintail Day! Saturday, September 10, leaving the church at 8.00am and returning about 4.30pm.

MOCK EYE ASSESSMENT CLINIC

Here is your chance to take part in the preparations for the Malawi trip. On Saturday, August 6 at the church from 9 am to noon we need volunteers both children and adults to come and have a mock eye test. This is a practise run for the team so that we can work efficiently when we are in Malawi. Please support us as we learn how to assist the opticians who will be conducting the eye tests.

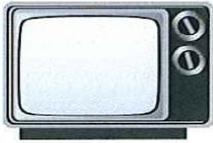

DONATIONS

We are still being asked what we need to take with us to Malawi. Thank you for everything already donated and the work that has been done to make all the things we are taking with us. We are now at full capacity with the luggage allowance we are allowed to take. It is hard to pack everything when new airline luggage regulations only allow two suitcases per passenger instead of the three they used to allow.

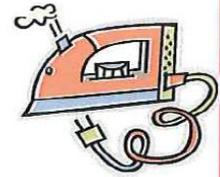

If you would still like to donate we would be very pleased to accept cash donations which will allow us to buy much needed food for the children, bikes, and computers for the high school in Chuluchosema. You can donate through your offering and you will receive a tax receipt.

Please mark the donation for Malawi.

New St. James'
TWELVE KEYS GROUP

is forming and YOU are invited
to participate and contribute.

On Saturday, April 20, about 30 of us came together for the workshop "Leadership Today", led by Dr. David Thompson and Kathy Smit. This was actually about the fifth leadership initiative in the last four years. All of the workshops were great, but nothing came of them. Many of us in business, government and education have experienced energizing retreats and workshops that produced no change. The result often is that the grassroots stop taking appeals for leadership and dynamic growth seriously.

Not this time. Enough training. It is time to build on what we have learned.

David and Kathy walked us through Kennon Callahan's book, *Twelve Keys to an Effective Church*. Callahan has decades of experience helping congregations increase their key strengths and add additional strengths in order to be even more effective mission servants in our world that is full of hopes and hurts. His message is based on our being Easter People, the people of the Open Tomb. Our best years are yet to come and it is up to us to discern what God has planned for us so that we will be able to hand New St. James on to the next generation stronger and more vital than when it was handed on to us.

The Twelve Keys Group will meet a few times in August to study several chapters of Callahan's book and to begin the planning process of preparing New St. James for worship and service well into the 21st century. We intend to have fun doing this work. *If you would like to be part of this exciting time of introspection, analysis and dynamic growth, please contact John Stewart.* All will be welcomed into the team. One last thought: the time of introspection and analysis will be short because we will move to action quickly. This will not be yet another exciting workshop that goes nowhere.
